# SYNERGY WOOD™

THE LEADING EXPERT IN PREFINISHED WOOD FOR CEILINGS AND WALLS

# SYNERGY

## CEILINGS ARE NO LIMIT.

Our Synergy Collection is the premium choice for discriminating homeowners and builders, and is available in three wood species.

**Cypress** is a beautiful, durable wood with a tight grain that is naturally more resistant to insects, rot, and decay. Offered in #2 and Select Grades.

**Ponderosa Pine's** strength, density, availability and fine texture make it a very popular and sustainable wood choice for your wood wall and ceiling projects. Offered in #2 Grade.

**Southern Pine's** strength, value and character make it a great choice for ceilings and walls. Offered in #2 and C-Grade.

Our skilled artisans hand select and handcraft each board to showcase nature's beauty and unique grain patterns. Each plank is tongue & groove and end matched for a simple and easy installation. All of our Synergy products feature a rich hand wiped stain and zero VOC finish.

Each board has a 5" face with random lengths (4'-14') depending on the wood species with a choice of V-Joint or Nickel Joint T&G. Each bundle has 4 Synergy boards.

1X4 S4S AND 1X6 S4S TRIM ALSO AVAILABLE ALL MOLDING PROFILES ARE AVAILABLE IN CYPRESS. 1-1/2" CEILING TRIM AND 3-1/4" CROWN MOLDING ARE AVAILABLE IN PONDEROSA PINE AND SOUTHERN PINE.

# E-PECK®

## NATURAL CYPRESS LOOK HAND FINISHED

Pecky Cypress is a rare and highly prized wood. The unusual “pecky” pattern is caused by a fungus that attacks the heartwood of mature Cypress trees, creating an effect of pocketing and striation. When the Cypress timber is milled, the natural grooves and divots create a very unique and rustic look.

Because of the growing scarcity of Pecky Cypress, we developed a proprietary process that re-creates the rare pecky appearance consistently throughout each plank. E-Peck® is available in Cypress, Ponderosa Pine or Southern Pine boards.

Each board has a 5” face width. Available in V-Joint, Nickel Joint or Square Edge T&G patterns. Packaged in 4 piece bundles.

Our skilled artisans hand select and handcraft each board to showcase nature’s beauty and unique grain patterns. Each plank is tongue & groove and end matched for a simple and easy installation. All of our Synergy products feature a rich hand wiped stain and zero VOC finish.

RUSTIC  
**E-PECK®**

**HANDCRAFTED RUSTIC  
 CYPRESS PECKY LOOK**

The highly desirable, natural "pecky" pattern occurs in the heartwood of mature Cypress trees, creating an effect of pocketing,

Our proprietary Rustic E-Peck® process creates a natural, rare pecky appearance made with solid Cypress boards. Each board is then wired brushed and glazed to create a classic, rustic product.
